

Upcoming Changes to Parking and Loading in the Broadway/Yesler Area

October 2023

New restaurants and stores will open near Broadway and Yesler in early 2024. We are making changes next year to improve short-term parking and meet different needs.

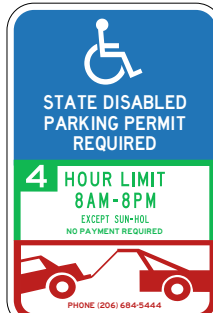

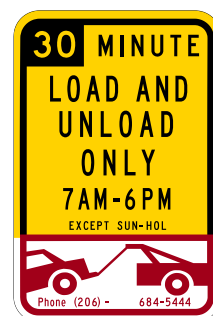

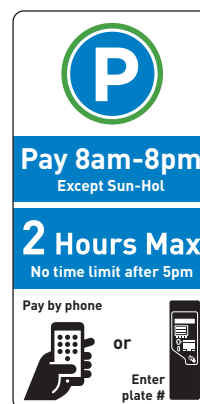

Convert parking on Broadway between Yesler Way and Fir St to 2 hour paid parking. Paid parking would be in effect Monday through Saturday from 8AM to 8PM except holidays. Load zones would be adjusted.

Convert existing 30-minute loading on the south side of Yesler Way to 2 hour paid parking. Paid parking is in effect Monday through Saturday, 8AM to 8PM except on holidays.

Convert specific loading and time limited areas to new RPZ 7 area spaces. Other load zones will remain unchanged.

Add a designated disabled space on E Fir St.
